

**Vinning Compliance Assistant
Christchurch City**

Enter the automotive inspection industry...

VINZ are experts in the field of vehicle inspection. We are passionate about what we do and the outcomes we achieve. We value our people and 'walk the talk' through offering rewarding work, great benefits and on-going training to grow your skills and your career.

We seek applications from people with a full NZ drivers licence, a passion for vehicles and safety and the desire to pursue a career in the Vehicle Inspection industry. If this sounds like you, please read on.

'Vinning' is an important part of the vehicle inspection process – supporting the entry certification inspectorate to move imported vehicles efficiently through the certification processes.

The role has many and varied aspects...

In our workshop environment you'll have diverse responsibilities including, dismantling and reassembling cars pre and post inspection, preparing client documentation for VIN/Certifications, receipting, job card raising and dispatch to name a few!

You will also move vehicles through the testing station to ensure work flow is effective and occasionally act as a relieving Customer Services Officer. You will need to be accurate, organised and computer literate with sound customer service skills.

This is a unique role with training provided, offering an entry point into vehicle inspection.

We invest in, develop and support our people to be the best in their field. We also offer:

- A day off on your Birthday!
- Life insurance
- Free WOF's
- Pre-Purchase Inspection discounts
- Annual bonus

Apply today. Play your part in ensuring NZ vehicles are fit for purpose and support road safety.
