VINZ are experts in the field of vehicle inspection, passionate about what we do and the outcomes we achieve. We value our people and 'walk the talk', offering rewarding work, great benefits and on-going training to grow your skills and career.

If you're a 'Heavy' vehicle inspector, with WoF and COF B - we have the perfect job for you plus further opportunities for learning and development to progress your career.

We won't hold you back! We invest in, develop and support our people to be the best in their field.

We'll also train people with aptitude and the right attitude to attain their NZTA authorities. Just bring your 5+ years relevant trade experience and/or trade qualification and:

- A full NZ Driver's Licence
- Experience in identifying vehicle faults
- Top customer service ability, and a 'one team' spirit
- COFB certification, or the ability to train and gain qualifications
- A reliable honest work ethic, and great attention to detail

With eleven branches and a growing number of testing facilities around New Zealand our career opportunities are growing apace.

Apply today. Ensure NZ vehicles are fit for purpose and enhance road safety.
